Subject: Metcalf Job

Finally Done!

Allen and his crew did a great job. I appreciate the advise and how easily he is to get up with. He guided me they the permit fiasco and kept me calm.

It's defiantly worth the savings using Carolina Custom vs a Turn Key builder. You actually learn a thing or two in the process.

I appreciate y'all's flexibility in making this a "custom" garage. It looks like it was built when house was.

Thanks again and have anyone you want to call me for a reference.
